WHEREAS, Pine Grove Joint Treatment Authority (“Authority”) has adopted certain guidelines (“Guidelines”) for each owner (“Owner”) of improved property required to connect to the Sanitary Sewer Line (“Sanitary Sewer Line”); and

WHEREAS, the Guidelines require that a qualified installer (“Qualified Installer”) or one authorized by the Authority perform the construction necessary for the installation of the house connection with trap; and

NOW, THEREFORE, in consideration of the Authority permitting the Owner to install his own house connection with trap without the assistance of a Qualified Installer or one authorized by the Authority, the receipt of which is hereby acknowledged, the Owner does hereby waive all damages that the Owner, his heirs, successors and assigns may hereafter sustain by reason of the construction and maintenance of the house connection with trap, any ditches, drains, dikes and appurtenants thereto, on any real property that the Owner has an interest, at or near the area designated by the Owner for the location of the house connection with trap.

Owner further promises and agrees and indemnify and hold harmless the Authority, its agents, representatives, and assigns from and against any and all damages that the Owner, his heirs, successors and assigns may hereafter sustain by reason of the construction and maintenance of the house connection with trap, any ditches, drains, dikes and appurtenants thereto, on any real property that the Owner has an interest, at or near the area designated by the Owner for the location of the house connection with trap.
